Thank you to Fiona Been for organizing a great event, to Carolyn Bouma for her creative expertise, and the team of helpers who gathered décor, donated door prizes, decorated and greeted guests. A big vote of appreciation to Pacific Moon Rising and to Louise and her staff for their excellent service and attention to detail. The venue looked beautiful and the food was delicious and plentiful. SPEAKER COMMITTEE: Gail Marlow

Gail reported that Ross Peterson will be our February 20th speaker. The topic is "**Preparing for Emergencies**". Our committee felt his presentation is timely considering the many environmental challenges that affect our lives that being prepared is crucial.

Ross is a retired Director of Emergency Management for the North Shore municipalities. He says, "No matter how good a job you do in your personal/household emergency preparedness, you can do a lot more by working with your neighbours, and taking advantage of all the skills and resources in your neighbourhood." Ross will outline how you can make this happen for you and help you build confidence that you can face any difficulty knowing what to do.

SPECIAL INTEREST GROUPS: Pat Hill (presented by Brian Freestone)

Brian encouraged members to get more involved in existing club activities or in creating new areas of interest. He asked that members check out the sign up sheets during the break and place their name and area of interest for follow-up by Pat Hill.

CHEMAINUS THEATRE: Garnet Hunt announced that there was a sign up sheet for the performance of "Godspell" on March 22nd in Chemainus. Price: \$58 per person. Dinner at the Fox and Hounds will follow.

There is a sign-up sheet on the table for the months of February and March specifically. Brian said that the club needs a new Kitchen Coordinator to take over for Jenny.

Special Recognition: Brian Freestone expressed thanks to Don and Sharon Jackson and Bryan Beazley, and the entire crew for set-up and other members for the take-down of chair and tables at the end of every monthly meeting.

Key Announcements:

President Brian Freestone spoke about the **Probus Speaker Network Committee (PSNC)**, which he created three years ago, for the purpose of bringing together the 10 Probus Clubs of the Mid-Island Region to share Speaker related resources. Our Nanoose Bay Club has played a major leadership role in the project which has been an overwhelming success. There has been a push to create a similar program for the benefit of Presidents and Vice Presidents of the same 10 Clubs. Brian announced that the inaugural

President Network (PPN) project will be launched on February 4th, again with all 10 Clubs enthusiastically supporting the venture. The sole purpose of the association will be to share Club operational information and to serve as a resource to assist Presidents and Vice Presidents in serving in their roles, in serving their Club and Executive Team. Brian said that the reason he raised this launch, and the importance of the association, is that one of the **most critical problems and challenges facing a good number of Clubs is in 'succession planning' and in encouraging members to step up and to volunteer for key positions on the Executive Team. Our club needs a Kitchen Coordinator and Vice President for the 2026 term.**

AGM Update: March 20th

A notice will be forwarded to all members by February 20th via email, including:

1. Agenda for the AGM
2. Minutes of the 2025 AGM, for approval
3. 2024 and 2025 Financial Report and the proposed 2026 Budget, for approval
4. Nominations slate of 2026 Executive Team.

Scrutineer: to conduct the election and oversee the introduction of the 2026 Executive Team the scrutineer will be Ethel Vincent Lambert, who did an excellent job last year.
